CERTIFICATION OF A SMALL EMPLOYER IN THE STATE OF NEW JERSEY FOR A GROUP HEALTH BENEFITS PLAN

For purposes of certification as a New Jersey Small Employer, an Employer is considered to be a Small Employer if the Employer satisfies **either** of the definitions set forth below. Check which definition applies to the Employer named above.

(A) Small Employer pursuant to N.J.S.A. 17B:27A-17 modified as required by 26 U.S.C. 4980H

This definition counts eligible employees. Eligible Employee means a full-time employee who works a normal work week of 25 or more hours. Eligible Employee excludes sole proprietors, a partner in a partnership, independent contractors, spouses and employees working fewer than 25 hours per week, employees working on a temporary or substitute basis and employees participating in an employee welfare arrangement pursuant to a collective bargaining agreement.

In connection with a Group Health Plan with respect to a Calendar Year and a Plan Year, any person, firm, corporation, partnership, or political subdivision that is actively engaged in business that:

- employed an average of at least 1, but not more than 50, eligible employees on business days during the preceding Calendar Year, and
- employs at least one Eligible Employee on the first day of the Plan Year.

Eligible employees and any dependents to be covered must live, work or reside in the service area of the Group Health Plan.

All persons treated as a single employer under subsection (b), (c), (m) or (o) of section 414 of the Internal Revenue Code of 1986 shall be treated as one employer. In the case of an employer that was not in existence during the preceding Calendar Year, the determination of whether the employer is a small or large employer shall be based on the average number of Employees it is expected that the employer will employ on business days in the current Calendar Year.

(B) Small Employer pursuant to 45 C.F.R. 155.20

This definition counts employees. Employee means an individual who is an employee under the common law standard. Employee excludes a sole proprietor, a partner in a partnership and a 2 percent S corporation shareholder, as well as immediate family members of such individuals. Employee also excludes a leased employee.

In connection with a Group Health Plan with respect to a Calendar Year and a Plan Year, an employer with a business location in the state of New Jersey who:

- employed an average of at least one but not more than 50 Employees on business days during the preceding Calendar Year; and
- who employs at least one Employee on the first day of the Plan Year.

Employees and any dependents to be covered must live, work or reside in the service area of the Group Health Plan.

All persons treated as a single employer under subsection (b), (c), (m) or (o) of section 414 of the Internal Revenue Code of 1986 shall be treated as one employer. In the case of an Employer which was not in existence throughout the preceding Calendar Year, the determination of whether such employer is a small or large employer shall be based on the average number of employees that it is reasonably expected such Employer will employ on business days in the current Calendar Year.

The following calculation must be used to determine if an employer employs at least 1, but not more than 50, employees. For purposes of this calculation:

- a) Employees working 30 or more hours per week are full-time employees and each full-time Employee counts as 1;
- b) Employees working fewer than 30 hours per week are part-time and counted as the sum of the hours each part-time Employee works per week multiplied by 4 and the product divided by 120 and rounded down to the nearest whole number.

Add the number of full-time Employees to the number that results from the part-time employee calculation. If the sum is at least 1, but not more than 50, the employer employs at least 1 but not more than 50 Employees.

Complete the following sections if the Employer is a Small Employer as defined in (A) or (B) above.

Please indicate below the number of employees by work location/State. All employees must be included, regardless of whether or not they currently have medical coverage and through whom that coverage is provided.
